Google Classroom Directions for Parents

1. Using your internet browser (Google Chrome will work best for this, but you can use any browser, even on a playstation or an XBox), go to **classroom.google.com**. You may be directed to log into an account instead of reaching the classroom screen. If you reach the classroom screen, skip to STEP 3.

2. You must be logged in to your child's FRRSD.ORG account in order to access any Google classroom. Click "Sign In" in the top right hand corner if you currently are not signed into any google account. If you are on another Gmail account, you will need to sign out of it and log in with your child's FRRSD.ORG account. You should have access to their username and password in their agenda or from their classroom teacher.
