

Cash Calendar Request

The Farmington River PTA is about to launch its **2021 Cash Calendar** fundraiser! As you know, for the last EIGHT years, we have had over \$18,000 in profit from this very popular event! We are in the process of printing 2,000 calendars to sell for \$10 each to friends and family!! At minimum, we will be distributing **5** to every student in the school (unless otherwise noted below).

.....however, we know that many of you are typically willing and able to sell more! SO, we are providing you with the opportunity to request a larger lot of calendars. **Please email Dawn with your request by Friday the 8th of January. ***

Student Name: _____ **Grade:** _____

Calendars Requested: 10 20 30 40 50

(please only request the number that you think you can sell....)

_____ We are NOT willing to join the efforts and DO NOT wish to have any Cash Calendars to sell.

*Please email dawnlemon@verizon.net. Please put "Cash Calendar Request" in the subject line and provide your students First and Last name, Grade and how many Calendars you are requesting.

As in the past, Calendars will go home with students. Remote students can pick up in the office or request they are dropped off at your house. If you would like them dropped off, please email Dawn.

This year we will be offering VENMO payment for everyone's convenience. More info to come.....

The Cash Calendar Fundraiser enables the PTA to do what we do throughout the year!

Thank you in advance for you participation!!
