COVID has changed our world in many ways and the school programs will not be the same as they have in the past, although we are hoping that the restrictions this year will not be as stringent as last. We have had to make some difficult decisions in our commitment to keep everybody as safe as possible. Be sure that you take time to read our on-line COVID statement before you register and are sure that you are going to be able to adhere to our requirements and that your children meet the guidelines for participation.

Our mantra for this year – DON'T BE THE REASON TO END OUR SEASON

Free Beginners' Day is tentatively scheduled for Saturday, December 11. The free lessons are for level 1 and 2 skiers age 6 and up, boarders age 8 and up and are **BY RESERVATION ONLY**. Classes will start promptly at 10:00, 11:30 and 1:00.

We plan to hold our pre-season teaching clinic on Saturday Dec 18. If you are age 16 or older and at least an intermediate skier/boarder interested in teaching, please let us know. No teaching experience is necessary but the clinic is mandatory for new instructors and recommended for those of you who are returning. Any questions please feel free to call us 413/269-4444 and leave a message or email info@otisridge.com.
