Re: **UPDATE Nov 4, 2021** - COVID Exposure Early Kindergarten on Nov 1, 2021

Dear Parents / Guardians of Early Kindergarten students,

This letter is to inform you that late last night we received word that the positive COVID case in Early Kindergarten that was reported on November 1, 2021 was a false positive. Upon further testing via a PCR test the results were **NEGATIVE**.

In accordance with the Massachusetts Department of Elementary and Secondary Education and the CDC COVID guidelines please continue to follow all health and safety protocols, monitor your child's health, wash your hands frequently, practice physical distancing, and continue to wear your face covering.

Thank you for all that you do to support the learning and success of students and the health and wellbeing of our community.

If you have any questions please feel free to give me a call.

Regards,

Thomas Nadolny
