Re: COVID Exposure to 6rd Grade

Dear Parents / Guardians & Staff Members,

This letter is to inform you that we were just informed today that a student in 6th Grade has been exposed to COVID-19. That student was last in school Tuesday December 14th and was sent home immediately once we were notified. All students and staff are considered secondary exposure. Should the student test positive we will move to the test and stay procedure. All safety issues were in place throughout the school during the time the student was present. Please monitor your children of possible symptoms. If any symptoms do arise, please contact the school and your pediatrician for further instructions.

Please feel free to call Mrs. Zuidema if you have any questions.

Thank you,

Thomas Nadolny
Principal / Superintendent
