Re: Mask Information February 2022

Dear Farmington River,

As you may be aware, Governor Charlie Baker has lifted the mask mandate in schools effective February 28, 2022. Doing so relinquishes the state from enforcing a mask policy and places that responsibility at a local level. Currently, Farmington River School District has an active face-covering policy in place. The Farmington River School Committee will review this policy at their March 7, 2022 meeting. In the meantime, all students and staff must abide by the current face-covering policy. If any changes are made during the March 7, 2022, School Committee Meeting, an announcement will be made on our website and email.

Masking continues to be required on all school vans/buses, per a federal order.

If you have any questions, please feel free to call me at 413-269-4466.

Regards,

Thomas R. Nadolny  
Principal / Superintendent
