- (c) Fulfillment of these respective responsibilities can be facilitated and supported by consultation and free exchange of views and information between the Committee, the Superintendent, and the professional teaching staff.

ARTICLE I CONTRACT

Pursuant to the provisions of Chapter 150E, 70 and 71 and applicable statutes under the General Laws of Massachusetts concerning matters of wages, hours and conditions of employment, this contract is made in *April, 2020*, by the School Committee of the Farmington River Regional School District (hereinafter sometimes referred to as the "Committee") and the Farmington River Regional Educators Association, in affiliation with the Massachusetts Teachers Association (MTA) and the National Education Association (NEA), acting as the representatives for the Educational Support Professionals of said district (hereinafter sometimes referred to as the "ESP" or "Association"), shall be the sole bargaining agent for the life of this Agreement.

ARTICLE II RECOGNITION

A. Committee recognizes the Farmington River Regional Educators Association for the purposes of collective bargaining as the exclusive representative of a unit consisting of all full and part-time paraprofessionals, cafeteria workers, van drivers and the Principal's secretary, but excluding substitutes, teachers and administrators.

B. Unless otherwise indicated, the employees in the above unit will be hereinafter referred to as "the

ESPs."

C. The Committee agrees, for the life of this Agreement, that it will not negotiate with any individuals covered by this Agreement other than the Farmington River Regional Educators Association – Educational Support Professionals on matters of wages, hours and other conditions of employment. The Farmington River Educators Association, in affiliation with MTA and NEA, shall be the sole bargaining agent for the life of this Agreement.

- C. There will be at least one (1) bulletin board reserved exclusively for the Association use in each school building.
- D. The Association may use prior scheduled school facilities and equipment for Association business in-so-far as such use does not result in extra payment to service persons employed by the Committee.
- E. The Committee authorizes the use of inter-school mail to distribute Association material. The Association headquarters will be considered as a regular inter-school mail stop.
- F. The representatives or agents of the Association shall be permitted to enter the school premises to carry on Association business providing it does not interfere with ESP duties.

ARTICLE IV MANAGEMENT RIGHTS

The Committee has the authority, rights and powers conferred upon it by the Laws of Massachusetts and the Rules and Regulations of any pertinent agency of the Commonwealth.

As to every matter expressly not covered by this Agreement, and except as expressly or directly modified by clear language in a specific provision of this Agreement, the Committee retains exclusively to themselves all rights and powers that it has or may hereafter be granted by law and shall exercise the same without such exercise being made the subject of grievance and arbitration provisions of this Agreement.

The Committee, in their exercise of the Management Rights Clause, recognize the Association rights under Article XDC (Just Cause).

ARTICLE V GRIEVANCE PROCEDURE

Purpose: The purpose of the grievance procedures set forth hereinafter is to produce prompt and equitable solutions to those problems which from time to time may arise which are within the definition of a grievance hereinafter set forth.

Definition: A grievance is a claim by an ESP or the Association that a violation, misinterpretation, or misapplication of the terms and conditions of this Agreement or any amendment or supplement may have taken place.

Time Limits: All time limits herein shall consist of school days. The time limits indicated hereunder will be considered maximum unless extended by mutual agreement in writing. In the event a grievance is filed which cannot be resolved to the satisfaction of the grievant or the Association prior to the termination of this Agreement, or beyond the successor agreement, using the normal time limits set out herein, the Association may submit the grievance directly to arbitration in accordance with Level Four of this procedure.

If at the end of thirty (30) school days from the grievant's or Association's first awareness, the above grievance shall not have been presented to Level Two, the grievance shall be deemed to have been waived; and any grievance in course under such procedure shall also be deemed to have been waived if the action required shall not have been taken within the specified time.

If a grievance is being processed in accordance with the provisions of this Article and the summer school vacation comes within the processing period of that grievance, it shall be processed as follows:

1. Prior to the close of the school year, the Principal at Level 1 or the Superintendent at Level 2 will meet with the grievant and/or Association at a time/date to be scheduled during the months of June and July. If the grievance is not resolved that meeting, then:
2. It shall be heard at an August regular meeting of the Committee, unless notification is given at the close of the school year that the grievant is unavailable due to prior travel plans, to attend the August meeting, in which case the grievance shall be heard at the September meeting.

Level One - A ESP and/or the Association with a grievance shall first verbally present the claim and evidence to the Principal in an effort to resolve the grievance informally. The Principal will have five (5) school days to respond.

Level Two - A ESP and/or the Association with a grievance will present the grievance to the Superintendent, in writing, either directly or through the Association.

The Superintendent then has five (5) school days to respond, in writing, to the grievance. In the event the Superintendent does not respond, the grievant or the Association may present the grievance to Level Three.

Level Three - If the grievance is not resolved to the satisfaction of the grievant or the Association at Level

Two, the ESP the Association may present the grievance, in writing, to the School Committee within five (5) days.

The School Committee will respond in writing within three (3) days after the next regularly scheduled school committee meeting. Prior to a Level Three grievance hearing, either party may request the sequestering of witnesses. A majority vote of both committees will be necessary for sequestering to occur.

If, during the course of a hearing before the School Committee pursuant to this section, the Superintendent intends to discuss, refer to, or introduce any personnel files or information (including for purposes of this section any employee disciplinary records), unless the parties otherwise agree, all persons other than, for the School Committee, any or all members of the School Committee, the Superintendent, the school attorney, and the Superintendent's confidential secretary and, for the Association, the Association's officers, MTA representative, and the grievant shall leave the hearing room until such discussion, reference and introduction of personnel files or information is completed. However, nothing herein shall be construed to limit either party in calling witnesses to appear and testify in the course of its presentation to the School Committee concerning the grievance.

Level Four - If the grievance is not resolved to the satisfaction of the grievant and/or the Association at Level Three, the Association may by giving written notice to the school committee within twenty (20) school days, present the grievance for arbitration, in which event the Association shall forthwith submit the grievance to the Massachusetts Division of Labor Relations for deferral docket or other arbitration forum if mutually agreed.

The expense of such arbitration, if any, inclusive of per-diem cost of the arbitrator, actual and necessary travel, subsistence expenses, and the cost of the hearing room if not held at the school, shall be shared equally between the Committee and the Association. It is further understood that the cost of a participant's counsel, external advisor(s) or witness(es) shall not be part of shared expenses. Arbitration hearings shall be scheduled after normal school hours, when possible. Unless mutually agreed to the contrary, hearings will be held at the school building of the Farmington River Regional School District in which the grievance originated. The grievant and one (1) additional witness shall be released for up to three (3) days, with pay, to attend the grievance arbitration. Additional witnesses will be released provided the one released witness covers for them during their absence from the classroom.

The decisions of the arbitrator, if within his scope of authority, will be presented to the School Committee and the Association and shall be final and binding upon the School Committee and the Association and the aggrieved person or persons.

Arbitration:

The arbitrator so selected will confer with the representatives of the School Committee and the grievance representative selected by the aggrieved party, and hold hearings promptly and will issue his decision not later than thirty (30) days from the date of the close of the hearing, or if oral hearings have been waived, then from the date the final statements and proofs are submitted to him. The arbitrator shall be granted time extensions if

necessary. The arbitrator's decision will be in writing, and will set forth his finding of fact, reasoning and conclusions on the issues submitted. The arbitrator shall have no power to add to, or subtract from, modify, or amend any of the provisions of this Agreement, nor shall he override the duties and responsibilities of the School Committee granted by this law and this Agreement. Neither party will be permitted to assert any charges before the arbitrator, which were not previously disclosed to the other party. All grievants shall be required to perform the assignments and applicable rules and regulations of the School Committee while the grievance is being processed unless the actions are stopped by a court decision.

If either the employee or the Association is seeking to challenge an action or omission of the employer, and he or it has the ability to do so in forums other than arbitration, as well as arbitration, they must elect either arbitration or the other forum, but may not proceed in both. Filing a complaint, charge or claim in any other forum will immediately foreclose arbitration as a forum for the contested action or omission of the employer.

General Provisions:

1. The Association and the School Committee shall have the right to use, in its own presentation at any level of their grievance procedure, any representative of its own choosing.
2. The School Committee acknowledges the right of the Association to participate in the processing of a grievance at any level.
3. No reprisals of any kind will be taken by the School Committee or the school administrator against any ESP because of his participation in the grievance procedure.
4. The School Committee and the administration will cooperate with the Association in its investigation of any grievance, and further agree to exchange with the Association such information as is required for the processing of any grievance.
5. All documents, communications and records dealing with the grievance will be filed separately from the personnel files of the participants.
6. All decisions rendered at Levels Two and Three of the grievance procedure will be, in writing, and will be transmitted promptly to the grievant, the Association, and, at Level Three, to the School Committee.
7. Provided the parties agree, Level One and/or Level Two of the grievance procedure may be bypassed, and the grievance brought directly to Level Three.

Hypothetical Table Demonstrating
The Health Insurance Surcharge Calculation

THE STARTING PREMIUM AND PERCENTAGE
INCREASES ARE MADE UP!

Hypothetical Example of an HMO Family Plan:

A	B	C	D	E	F	G	H	I	J	K	L
2002	10%	8000	8000	6800	1200	0	0	0	6800	1200	85/15
2003	18%	9440	8960	7616	1344	480	240	240	7858	1584	83.2/16.8
2004	14%	10762	10035	8530	1505	727	364	364	8894	1869	82.6/17.4
2005	6%	11408	11239	9553	1686	169	84	84	9637	1770	84.5/15.5
2006	6%	12092	12092*	10278	1814	0	0	0	10278	1814	85/15

The amount in Column D will never exceed that in column C. When they are equal the ratio is back to the amount agreed to without a surcharge.

Column: A = The Fiscal Year-In this case FY03 is the first year with an increase over 12%. Until FY03, C=D.

B = The total %age increase for each year.

C = The total annual premium for the plan in dollars.

D = This is the non-surcharged portion of the insurance premium and is limited to no more than a 12% increase over the amount in column D from the previous year. This number is not a 12% increase of the prior year's total premium (column C). Prior years (Column D) x 1.12 or the number in column C whichever is lower.

E = The District's share of the amount in column D. (column D amt.) x .85 for an HMO or .75 for the PPO

F = The Employee's share of the amt. in Column D. (column D amt.) x .15 or .25 as above.

G = The amount of premium not in column D. Subtract column D from column C.

H = The district's share of Column G (column G) x 0.5 (50%)

I = The employee's share of Column G (column G) x 0.5 (50%)

J = The district's total premium payment column E + column H

K = The employee's total premium amt. Column F + Column I

L = The percentage amounts for that particular year Column J/Column C and Column K/Column C

The amount in columns G, H, and I are the surcharge amounts. This is the amount above a maximum annual 12% increase in insurance premium.

SUMMARY OF BENEFITS

Network Blue New EnglandSM \$300 Deductible

With Hospital Choice Cost Sharing
Plan Year Deductible: \$300/\$300

This health plan option includes a tiered network feature called Hospital Choice Cost Sharing. As a member in this plan, you will pay different levels of cost share (such as copayments and/or coinsurance) for certain services, depending on the network general hospital you choose to furnish those covered services. For most network general hospitals, you will pay the lowest cost sharing level. However, if you receive certain covered services from any of the network general hospitals listed in this Summary of Benefits, you pay the highest cost sharing level. A network general hospital's cost sharing level may change from time to time. Overall changes to add another network general hospital to the highest cost sharing level will happen no more than once each calendar year. For help in finding a network general hospital (not listed in this Summary of Benefits) for which you pay the lowest cost sharing level, check the most current provider directory for your health plan option or visit the online provider search tool at www.bluecrossma.com/hospitalchoice. Then click on the Planning Guide link on the left navigation to download a printable network hospital list or to access the provider search page.

This health plan meets Minimum Creditable Coverage Standards for Massachusetts residents that went into effect as of January 1, 2014, as part of the Massachusetts Health Care Reform Law.

See Description of Policy and Plan Documents for more details.

Your Care

Your Primary Care Provider.

When you enroll in Network Blue New England, you must choose a primary care provider (PCP) who is available to accept you and your family members and participates in our network of providers throughout the New England states. For children, you may designate a participating network pediatrician as the PCP.

For a list of participating PCPs or OB/GYNs, visit the Blue Cross Blue Shield of Massachusetts website at www.bluecrossma.com, consult the Provider Directory, or call our Physician Selection Service at 1-800-821-1388. If you have trouble choosing a doctor, the Physician Selection Service can help. We can tell you whether a doctor is male or female, the medical school(s) he or she attended, and if any languages other than English are spoken in the office.

Referrals You Can Feel Better About.

Your PCP is the first person you call when you need routine or sick care (see *Emergency Care—Wherever You Are* for emergency care services). If you and your PCP decide that you need to see a specialist for covered services, your PCP will refer you to an appropriate network specialist, who is probably someone affiliated with your PCP's hospital or medical group. You will not need prior authorization or referral to see a HMO Blue New England network provider who specializes in OB/GYN services. Your providers may also work with Blue Cross Blue Shield concerning referrals, and the Utilization Review Requirements, which are Pre-Admission Review, Concurrent Review and Discharge Planning, Prior Approval for Certain Outpatient Services, and Individual Case Management. Information concerning Utilization Review and services requiring referral from your PCP is detailed in your benefit description.

Your Cost Share.

This plan has two levels of hospital benefits. You will pay a higher cost share when you receive certain inpatient services at or by "higher cost share hospitals". See the chart on opposite page for cost share amounts.

Please note: If your PCP refers you to another provider for covered services (such as a specialist), it is important to check whether the provider you are referred to is affiliated with one of the higher cost share hospitals listed below. Your cost will be greater when you receive inpatient services at or by these hospitals, even if your PCP refers you.

Higher Cost Share Hospitals.

The Massachusetts hospitals listed below are the hospitals in which your cost share will be higher. Blue Cross Blue Shield will let you know if this list changes.

- Baystate Medical Center
- Boston Children's Hospital
- Brigham and Women's Hospital
- Cape Cod Hospital
- Dana-Farber Cancer Institute
- Fairview Hospital
- Massachusetts General Hospital

- North Shore Medical Center—Salem
- North Shore Medical Center—Union
- South Shore Hospital
- Sturdy Memorial Hospital
- UMass Memorial Medical Center—Worcester
- UMass Memorial Medical Center—Worcester

All other network hospitals will carry the same cost share as the hospitals listed above, including network hospitals outside of Massachusetts.

Your Deductible.

Your deductible is the amount of money you must pay out of pocket each plan year before you can receive coverage under this plan. If you are not sure where to find your deductible, contact Blue Cross Blue Shield. Your deductible is \$1,000 per member (or \$2,000 per family).

Your Out-of-Pocket Maximum.

Your out-of-pocket maximum is the maximum amount you must pay out of pocket each plan year for deductible, copay, and coinsurance for covered medical services. Your out-of-pocket maximum for medical benefits is \$2,500 per member. Your out-of-pocket maximum for prescription drugs is \$1,000 per member (or \$2,000 per family).

Emergency Care—Wherever You Are.

In an emergency, such as a suspected heart attack, you should go directly to the nearest hospital or call 911 for the local emergency phone number. If you have a deductible, you pay a \$100 copayment for emergency room services. This copayment is waived for the hospital or for an observation stay.

Service Area.

The plan's service area includes all cities in the Commonwealth of Massachusetts, State of Vermont, State of Connecticut, State of New Hampshire, and State of Maine.

When Outside the Service Area.

If you're traveling outside your service area for emergency care, go to the nearest appropriate facility. You are covered for the emergency visit and one follow-up visit while outside the service area. Any additional follow-up care must be paid for by you. Please see your benefit description for more details.

Dependent Benefits.

This plan covers dependents until the month in which they turn age 26, regardless of dependency, student status, or employment. For more details, see your benefit description (and rider coverage details).
