### Parental Permission Form for Transportation of Student(s): 2024-2025 School Year

The following is Farmington River Regional Elementary School, in coordination with Dufour, Inc., procedure for afternoon bus drop-off for those who are transported by Dufour, Inc.

All students who are normally transported by bus at the end of the school day, including half days and emergency closings, will need to have a supervising adult present at the bus stop, in order for the bus driver to allow the child to be dropped off. In the event that there is not a supervising adult present, the student(s) will be brought back to Farmington River Regional Elementary School. The school will attempt to contact a parent/guardian to pick up the student(s) here at the school. In the event that the parent/guardian is unreachable, the school will then attempt to contact names of others – listed on the Emergency Contact Form – who will assume the responsibility and provide transportation for your student(s).

Your consent to the above is assumed, UNLESS YOU NOTIFY THE SCHOOL IN WRITING USING THE FORM BELOW that you want your student(s) to be dropped off at their bust stop without a supervising adult present.

With access to computers and people all over the world also comes with the availability of materials available precautions to restrict access to controversial materials. However, on global network it is impossible to control all materials and an industrious user may discover controversial information.
